CAYA Code of Conduct

A key element to the success of CAYA is the ability to establish an environment where our youth feel safe to take positive risks and live up to their fullest potential. CAYA works in partnership with parents, volunteers, and staff to create a learning atmosphere that is both fun and education, yet challenges students to respect each other and meet high expectations. To support this effort, CAYA has developed the following Code of Conduct, which we hold everyone responsible to.

Parent/Guardian Code of Conduct

Upon notification of problems with your child, you must contact CAYA staff within 2 working days (Monday – Thursday 2:30 PM – 6 PM). If not, your child will be refused admittance until this is done.

If your child is expelled for any reason, you will be required to meet in conference with a staff member with your child before they can be re-admitted.

Student Code of Conduct

Students are expected to sign in and out each day that they attend the program.

Once a student is in the building, there will be no exiting until the end of the program, unless the student has staff permission, or parent permission. If a student leaves the building without permission, they will not be allowed to re-enter, and a telephone call will be made to their parent/guardian.

- *Students are not allowed in the building outside of normal business hours (Monday – Friday, 7:30 AM – 6:00 PM) except with prior permission from a staff member.
